L & T Education

Sir/Madam

RE: APPRECIATION FOR INTERVENTION WITH L & T PROGRAMMES

The above matter bears reference:

The SMT, SGB, educators and learners of the above institution send their gratitude with regard to the following intervention strategies:

1. Programmes introduced during Covid-19 to assist Maths and Science learners through extra classes.
2. School management programmes such as content coverage, experiments and other related programmes.
3. Winter holidays and Saturdays enrichment classes for grade 10-12 and recently grades 10-11 learners.
4. Provision of study materials for grade 12 Mathematics and Physical Science

Our results are of good quality in Mathematics and Physical Science and we are appreciative of the support from L & T. With your continued intervention and support, we believe our results will improve more in Mathematics and Physical Sciences.

We are more than appreciative of this gesture and acknowledge the impact your intervention has done to our institution. Provision of the above was not cheap as a result we can't thank you enough.

We still look forward to this relationship to ensure that we reach our set goals.

THANK YOU SO MUCH!!!!!!

Yours faithfully

A handwritten signature in black ink, appearing to read 'M. Sithole'.

Sithole ML
