

TO WHOM IT MAY CONCERN

The enduring partnership between L&T Edu-Solutions and Northwest University within the faculty of engineering has spanned of three years, marked by active involvement and participation in our faculty events. This collaboration has instilled a profound trust in L&T Edu-Solutions within our engineering faculty at the Potchefstroom campus.

Notably, five students from Tirelong Secondary School, all of whom beneficiaries of the L&T Edu-Solutions programme have enrolled to study engineering with our faculty. In addition, L&T Edu-Solutions has assisted in encouraging learners in the Northwest province to acknowledge the opportunities available with our institution where we have always shown priority accorded to recipients of the L&T Edu-Solutions programme during our institution and faculty recruitment events.

Through L&T Edu-Solutions mentorship programme, the organization has commendably visited the university, extending comprehensive support to their students. The engineering faculty's unwavering faith in the organization was exemplified in 2023 when three out of six L&T learners were sponsored by the faculty to attend the engineering day, which included motivation and career guidance.

The dedication of the organization to guide, inspiring and expose learners to an academic life is truly inspiring. We aspire to maintain this remarkable collaboration between the university (Faculty of engineering and L&T Edu-Solutions). L&T Edu-Solutions is surely making a positive change in the lives of our young Furthermore, we enthusiastically recommend the organization to various companies seeking their services.
